Register for your IEC

The Importer -Exporter Code (IEC) is a key business identification number which is mandatory for Exports or Imports. No person shall make any import or export except under an IEC Number granted by the DGT. In case of import or export of services or technology, the IEC shall be required only when the service or technology provider is taking benefits under the Foreign Trade Policy or is dealing with specified services or technologies.

The nature of the firm obtaining an IEC may be any of the follows- "Proprietorship, Partnership, LLP, Limited Company, Trust, HUF and Society." Subsequent upon introduction of GST, IEC number is the same as the PAN of the firm. The IEC would be separately issued by DGT.

IEC Profile Management

What is IEC

An Importer-Exporter Certificate (IEC) is a mandatory document for any person without obtaining which no firm can export or import goods under the Foreign Trade Policy. It is issued by the DGFT on the basis of the details of the firm and its directors/partners. It is a unique identification number for the firm and is valid for a period of 5 years.

Pre-Requisites for IEC

IEC may be applied on behalf of the firm and a valid address of the firm must be provided before applying.

Processes in IEC

Apply for IEC

To apply for an IEC, PAN, bank account & valid address in the name of the firm is mandatory. Address may be physically verified by the DGFT on issuance of the IEC. Please keep your PAN, bank details and firm details ready before applying.

Link your profile to IEC

In case the IEC is already available, link your IEC with your user profile. Please keep your digital signature token ready before linking.

View IEC Profile

The Import-Exporter Profile captures important details with respect to the importing or exporting firm as registered with DGFT. The IEC is the primary part of the Profile. In addition to the IEC, details such as RCMC, Industrial Registration Details, Status Holder details, Past Export Performance etc. are captured under this profile.

Print IEC

Print your IEC Certificate containing Firm Name, Address, IEC Number, Firm Name, Address, IEC Number, Firm Name, Address, IEC Number. New certificates also contain a unique QR code that can be used to verify the certificate online.

Update/Modify IEC

To modify an IEC, click and request the IEC details and submit the request for auto approved modification.

Surrender IEC

Request for online surrender of IEC. The IEC will be suspended for any transactions and will need to be revoked by filing revocation of suspension.

Request Removal from DEL

Apply here for requesting removal of IEC from Denied Entity List (DEL) and start applying for DGFT benefits and schemes again.

Request Revoke Suspension

In case the IEC has been suspended / surrendered, use this option to raise a request to revoke the suspension from IEC.

Manage Users Linked to IEC

More than one user can be added to a given IEC. Users may be added as primary or secondary users. You may further add permissions for a given user to access each of the respective schemes under DGFT.
